Dear Chairman Cruz and Ranking Member Cantwell:

On behalf of the undersigned organizations, we write to thank you for favorably reporting out the *Wastewater Infrastructure Pollution Prevention and Environmental Safety (WIPES) Act* (S. 1092) on May 21, 2025. This bipartisan legislation takes a straightforward and reasonable approach to addressing the preventable problems stemming from the improper disposal of non-flushable wipes in the nation's wastewater systems. We believe the legislation will advance our mutually shared interest to protect public infrastructure and the environment. We look forward to its swift passage on the Senate Floor.

Again, thank you for supporting and advancing S. 1092 to the Senate Floor, and your continued leadership to develop commonsense and bipartisan policy solutions.

Sincerely,
